Assistant Superintendent

Office of Curriculum

September 2016

Dear Parents:

We are very excited to announce an additional component of our *Investigations* math program to our educational curriculum here at Rockville Centre Schools. *Pearson Realize* offers you the opportunity to look inside your child's day-to-day learning.

How to get started? It's as easy as 123!

Success at school can be a shared learning experience!

As a partner helping your child make the most of learning, *Pearson Realize* offers the right tools for you and your child. It all begins with a simple login at the web site.

How to access the Web site:

1. Access your Internet browser - (For your reference, *Pearson Realize* Internet and System Requirements can be found at the bottom of the Log in page).
2. Enter the URL (site address) -- **<http://www.pearsonrealize.com>**
3. Then, use the following information to get started.

Your child's user name is rvc followed by the last 6 digits of their student ID#. For example - **rvc491234**

Your child's password their first initial capitalized, last initial lower case, followed by the last 6 digits of their student ID#. For example Ab491234

Note: User name and password are case sensitive.

4. Congratulations! You should see your home page.

You will be amazed at how motivated and excited your child will be to share in the interactive learning experiences while studying at home. Watch as your child "teaches" you how to access the resources we utilize in the classroom.

Sincerely,

Christopher J. Pellettieri
